SUPPLEMENTAL AMENDMENT

Assistant Commissioner for Patents  
Washington, D.C. 20231

Sir:

As a Supplement to the Amendment filed on November 22, 2002, kindly amend the application identified above in the following manner.

IN THE CLAIMS:

*Kindly replace the previously submitted versions of new Claims 16, 21-23, 26, 27, 34, 36 and 37 with the following versions of new Claims 16, 21-23, 26, 27, 34, 36 and 37.*

16. A seat apparatus for directing temperature controlled air to an individual seated on the seat apparatus, comprising:

a sitting portion contacted by a seated individual seated on the sitting portion, the sitting portion including a filling member, the sitting portion possessing a sitting side adapted to face an individual seated on the sitting portion and an oppositely positioned non-sitting side, said filling member including at least three spaced apart grooves each extending over a limited surface area of the filling member on the sitting side, each of the
